The XS 550 is the first of our wide beam craft (2.6m) and with its deep V hull and high bow this has sea keeping that larger craft from other makers envy ! As with all XS craft it is built to order from the start and can accommodate L and XL motors. With an internal beam of 1.6 m there is room for payload AND seating. With 5 comfortably seated there is still room for the dive gear and the picnic. There are a lot of options on this model, many are shown in the images.

XS Ribs: XS 550

All XS craft are made in the UK, we start with a barrel of resin and a roll of fabric and make the whole boat IN HOUSE at our factory in Yorkshire. All metal work, fuel tanks, steering and fittings are sourced in the UK and are supplied to the relevant ISO standard for the item. All consoles and seating are BONDED to the deck, NOT screwed down. We pride ourselves in the quality we deliver. This is why these craft do the job and last, durability is BUILT IN.
