Max Power	80 Hp
Max Weight Motor	185 Kgs
Recommended HP	40-80
RCD Category	C

The XS 500 is one of our best selling craft, it will handle 80 hp with the family on board and it is just as "useful" with as little as a 40 hp in a sailing club environment. The generous tube diameter and beam make it VERY STABLE at rest and the high bow makes it a dry craft. The XS 500 has a lot of useable deck space and a high payload for a craft of its size. With this extra deck area a wide range of seating options are available.

Standard Equipment

- | | |
|-----------------------|----------------------|
| * Jockey console | * Batt compartment |
| * Mechanical steering | * Open bow locker |
| * Non slip floor | * Cleat and eye bolt |
| * External lifelines | * D strake to tube |

| * Transom U Bolts | * Drain Trunk |
| * Bow Eye S/S | * Foot Pump |

XS 500

Console Positions

The position of the console is relevant to the balance of the boat and in part dependant on the shape of the floor. In this model of craft the console can be moved, please discuss your requirements with us.

Scale	33:1
Boat	XS 500

All XS craft are made in the UK, we start with a barrel of resin and a roll of fabric and make the whole boat IN HOUSE at our factory in Yorkshire. All metal work, fuel tanks, steering and fittings are sourced in the UK and are supplied to the relevant ISO standard for the item. All consoles and seating are BONDED to the deck, NOT screwed down. We pride ourselves in the quality we deliver. This is why these craft do the job and last, durability is BUILT IN.
