The XS 545 is the smallest deep V hull craft in the range. With a high bow this has sea keeping that larger craft from other makers envy ! As with all XS craft it is built to order from the start and can accommodate L and XL motors. With an internal beam of 1.3 m this is a compact craft, easy to tow but with the sea keeping of many larger craft. There are a lot of options on this model, many are shown in the images.

XS Ribs: XS 545

Single Module - Large Console

Double Module - Small Console

Boat	XS 530

All XS craft are made in the UK, we start with a barrel of resin and a roll of fabric and make the whole boat IN HOUSE at our factory in Yorkshire. All metal work, fuel tanks, steering and fittings are sourced in the UK and are supplied to the relevant ISO standard for the item. All consoles and seating are BONDED to the deck, NOT screwed down. We pride ourselves in the quality we deliver. This is why these craft do the job and last, durability is BUILT IN.
